Join us for an expert webcast exploring the effects of Sudan's civil war on the regional humanitarian situation and U.S. interests as well as how international actors may be able to persuade the warring parties to accept a durable ceasefire. Watch live starting at 12:00 noon EDT (1600 GMT) on Wednesday, July 26, 2023.

Three months after violence erupted in Khartoum, the latest conflict in Sudan has killed over 3,000 people and displaced nearly 3 million, while mediation efforts have failed to halt clashes between the forces of Gen. Abdel Fattah al-Burhan and Gen. Mohamed Hamdan “Hemedti” Dagalo. How is the violence affecting Sudan’s humanitarian situation and other U.S. interests? And which international actors are best situated to influence the warring parties and advance a durable ceasefire?

To discuss these and other issues, The Washington Institute is pleased to announce a virtual Policy Forum with Reem Abbas, Alex Rondos, and Yasir Zaidan. David Schenker, the director of the Institute’s Rubin Family Arab Politics Program, will moderate the discussion.

Watch a live webcast of this event starting at 12:00 noon EDT (1600 GMT) on Wednesday, July 26, 2023.
